

# Green's Room Trip To The Park

5 leaves

Yellow

I find stick

I get leaf

Stick stick

Hello everyone

Today the children went to the park with their mums and dads. We talked about road safety and sang the song stop look listen. When we went to the park we used our listening ears to listen to sounds we could hear at the park such cars and the birds. We then went looking for sticks and leaves some found big leaves and some found some small sticks. We brought them back to nursery and we did some leaf painting with them.
