

A visit to Cannon Hill Nature Centre

On Tuesday, 17th June, and Thursday, 19th June, the children in Red Room went for a visit to Cannon Hill Nature Centre. Whilst there, they saw some amazing animals, such as the Yellow-breasted Capuchin Monkey, Meerkats, Capybaras, wild dogs, and Parrots. The children were also able to visit the reptile house, where they saw lizards, snakes, and even a Komodo Dragon!

The children in the Red Room had a lovely time looking at all the different animals and discussing what they could see.
