

# Our First Week in Red Room

Circle time

During the first week back in Red Room, the children have settled well and met their new friends and teachers in the nursery. This week, the children have made self-portraits of themselves, took part in circle time, playdough, dressing up and mark-making activities in the sand. We also played outside where we played hide and seek, building blocks, playing with instruments and in the outdoor kitchen. At the end of the day, the children had some yummy, delicious fruit and read a story to complete their day. The children were all smiley and happy in Red Room and were ready to start next week.

Comments from the children.

Khadija 'I like playing in Red Room'.

Azareah 'I had lot of fun'.

Aboubaccar 'I like drawing'.
