

Making Bridges in Red Room

The children in the Red Room are building a bridge for the Three Billy Goat Gruff to cross over and eat the troll. The children made the bridge using colourful blocks, wooden blocks, and a carpet. The children went on the bridge due to height order; for example, small children will be Little Billy Goat Gruff, middle will be Middle Billy Goat Gruff, and tall will be Big Billy Goat Gruff. Once they crossed the bridge, the children sang a song called Three Goat Crossing Over the Bridge. The children recall and retell the story's key event and enjoy acting out and being the characters.

Children's comments;

Clayton's 'Who has been crossing over my bridge'.

Jayce said, 'Me little goat'

Joel said, 'I am a big goat, I hit a troll three times with my horn.'

Aaliyah said, 'I am crossing the bridge quickly.'

Lina said, 'Quick, the troll is coming'
