

Eid Picnic Party in Red Room

On Wednesday 2nd April, the children in Red Room are celebrating Eid al-Fitr. The children learned that many Muslims worldwide celebrate Eid with their friends and family and have a big party because they have done the 30 days of fast. During drop-off time, the children danced with other children and parents from the yellow, green and blue rooms, listening to Eid music. The children had a party in Red Room where we played games, danced and had party food. The children enjoyed celebrating Eid in the Red Room.
