

Making Easter Nests

The children in the Red Room are celebrating Easter, which marks the death and resurrection of Jesus, who came back to life. They are learning that Easter is important for many Christians and Catholics because Jesus rose from the dead. The children enjoyed listening to the Easter story. As an Easter treat, they made Easter nests using shredded wheat and melted chocolate. They enjoyed making the treat and said it tasted delicious.

Children's comments:

Mahmoud said, "Easter is about Jesus."

Ahmir said, "I go to church."

Bitanya said, "Jesus came back alive."

Rawand said, "I made an Easter nest."
