St Patrick's Day

On 17th March, the Red Room children celebrated St Patrick's Day. They learned that St Patrick's Day is celebrated in Ireland and around the world every year on 17th March.

It is a day to celebrate St Patrick, who is believed to have brought Christianity to Ireland and banished snakes from the country. People usually dress in green and take part in parades to celebrate the day.

In the Red Room, the children took part in many activities to help them learn about and understand St Patrick's Day. These activities included wearing green clothes, shamrock printing, exploring coins, and trying Irish dancing.

HAPPY ST. PATRICK'S DAY
