

Releasing Butterflies

Yoadan
"butterfly"

Elda
"caterpillar"

Niyara
"butterfly"

Yosiyas
"two, Three"

Erad
"BU-fly"

Nusrat
"bye bye butterfly"

Today Blue room release the butterflies into the wild. The children gathered on the carpet to observe the butterflies in the net and count them. After the children held hands with a peer and followed the line to the secret garden. The child sat on a wooden stump and watched as the adult took the butterflies out. The children held the butterfly on their hand or looked from a distance. We sang 10 little butterflies before waving bye to the butterflies.
