

Ramadan is the holy month of fasting and spiritual growth. It begins and ends with the appearance of the crescent moon.

We have been doing different activities linked to the interests of the children. The children made maps as the pirates have gone to India, on our maps we used paint to print a crescent moon. We also explored different types of tea, making our own tea and tasting them. We also linked to this to the story we have been learning about 'The Tiger who came to tea'.

We also made a large collaborative collage of a mosque with the crescent moon and stars in the sky

Wb Ramadan
