

# Exploring the **fruits** from **Handa's Surprise** wb 13.10.25

Handa left some fruit for us at Conkers that we had to find. When we returned to nursery we tasted the different fruits and made fruit smoothies. We also did some mathematical recording after to find out which fruits we liked best. We have been reading Handa's Surprise over the past few weeks, the children have remembered new fruit names and new animal names from the story such as Antelope, Parrot and Ostrich.
