

A special delivery came to Yellow Room... 24.4.2024

In Yellow Room, we had Caterpillars arrive today. We spoke about what they were, what they looked like and how we have to take care of them. We also predicted what might happen to the Caterpillars.

Jazarah: "They will turn into Butterflies"
Iyla: "They are baby caterpillars"
Zuriel: "They are so small".
Aizah: "You have to hold them still"

Making Butterflies using Paint

14.5.2024

Iyla "The caterpillar needs to eat lots of food to get bigger"

Jazarah: "It starts as an egg and out comes a tiny caterpillar"

Azryah: "Then it spins a chrysalis and stays inside for two weeks"

Aizah: "Then out will come a Butterfly and it will fly away with its wings"

Arielle: "The wings are so beautiful and look the same"

The Life Cycle of a Butterfly through movement and music
