

Celebrating Chinese New Year in Yellow Room—February 2026

Over the past two weeks, we have been celebrating Chinese New Year. We have done a variety of activities such as exploring Chinese writing. We also read the Chinese story and did animal prints from the Chinese story on red envelopes. We counted special gold coins into the money envelopes.

We made lanterns practicing our cutting skills. We also had a special visitor—a dragon. We did dragon dancing.

We also use chopsticks in noodle play / red fine sand to make marks in different media.

We learnt a new song called: "Here comes the Dragon". We did some dragon dancing whilst listening to different music from China.

At lunch time we also had a special Chinese meal.
