

Christmas in Yellow Room

December 2024

In Yellow room we have been taking part in different activities for Christmas. We started of by writing our own letters to Father Christmas. The children were able to use scissors to cut out the pictures that they liked.

We also used our hands to make our own Christmas trees and fingers to make our own baubles.

We have read the nativity story and explored the Christmas area in Yellow Room. We made our own decorations and explored pattern making.

We also linked We're going on a bear hunt story to make our calendars through bubble painting.

As a class we decorated our Christmas tree and took some pictures next to it. We also wrapped our own presents to put under our tree.
