

World Book Day 5.3.25

We celebrated World Book Day by inviting children to come dressed as their favourite characters from books, bring their favourite stories or wear Pyjamas.

We also invited parents and children to attend a workshop outside this morning, where we shared stories with our parents, took part in singing a variety of different songs such as: 5 little speckled frogs, Head, shoulders, knees and toes, 10 Green Bottles and Ten in the bed. Delina's Mother also came and read a story to the children.

Yellow Room also had a book challenge discovery time sheet to take part in at home.
